1. PLACEMENT GOVERNANCE

- Career & Alumni Relations (CAR) coordinates all placement and internship activities across Schools.
- CAR facilitates processes but **does not adjudicate disciplinary matters**.
- All placement-related violations are **formally referred to the Student Disciplinary Committee (STDC)** under the University's Student Code of Conduct.

2. STUDENT ELIGIBILITY (SUMMARY)

A student may participate in placements only if all the following are satisfied:

- No academic backlogs at the time of registering for placement drives (unless permitted by a recruiter).
- Minimum **80% attendance** in mandatory pre-placement training.
- Submission of the **Placement Registration & Declaration Form**.
- Completion of required experiential components (internship / immersion / capstone), unless exceptionally approved by School leadership.
- Compliance with all **company-specific eligibility criteria**.
- **No pending disciplinary case with STDC**.

3. PRE-PLACEMENT TRAINING (MANDATORY)

Training consists of:

1. Domain / Technical Training (School-specific)
2. Soft Skills Training
3. Emotional, Behaviour & Networking Intelligence Training

Minimum **80% attendance across all components** is compulsory.

Any restriction due to non-compliance is decided by the **Dean of the School**, in consultation with CAR.

4. OFFER RULES – KEY POINTS

4.1 One Offer Rule (1×)

- A student is considered placed (1×) once their name appears in a recruiter's final selection list, **irrespective of acceptance or rejection**.

4.2 Offer Progression Rule (1.5×) — ACTIVATION CONDITION

The 1.5× opportunity is **not automatic**.

It becomes applicable **only when**:

- At least **40% of eligible students of the concerned School are placed**, **OR**
- The **Dean of the School formally announces activation**, whichever is earlier.

Until activation:

- Students are expected to apply **carefully and responsibly**.
- Participation in higher-value opportunities is governed by institutional discretion and fairness.

Once activated:

- A student may attend up to **four (4) additional placement drives**, provided:
  - Existing offer CTC is below ₹8 LPA, and
  - The new offer is at least **1.5×** the current offer.

After exhausting this progression, eligibility shifts **only to Dream Offer opportunities**.

4.3 Maximum Placement Opportunities

- A student shall be provided a **maximum of five notified (5) placement opportunities/attempts** facilitated by RV University during a placement cycle.
- At the **Dean's discretion**, up to **two additional opportunities** may be provided **once 40% of eligible students of the School are placed**, in consultation with CAR.
- Dream Company Opportunities, if declared by the Dean in consultation with CAR, **may be exempted** from this limit.

5. DREAM OFFER – CONCEPT

- A Dream Offer is an offer significantly higher than the **historical highest CTC achieved by the School**.
- The benchmark is **dynamic, progressive, and School-specific**.

Illustration:

If a School's historical highest CTC is ₹30 LPA and a later offer of ₹35 LPA is received, the Dream Offer benchmark thereafter stands revised to ₹35 LPA or higher for subsequent opportunities.

6. STUDENT RESPONSIBILITIES

- Apply only to roles and organisations the student is genuinely willing to join.
- Maintain professional conduct at all stages.
- Honour offers once selected, in line with institutional ethics and industry expectations.
- Report any exceptional concerns promptly to CAR.

Any action resulting in reputational, institutional, or peer-level impact may be referred to **STDC**.

7. DISCIPLINARY HANDLING (SUMMARY)

- CAR **only forwards cases**; it does not impose penalties.
- All violations are examined by **STDC**.
- Upon referral to STDC, the student **shall not be permitted to participate in any placement-related activity** until a final decision is issued.
- Outcomes, penalties, reinstatement, and appeals follow STDC procedures.
